Diamond Top Pattern
A chart depicting a Triple Bottom pattern in trading. The chart includes:

- A black line representing the price movement.
- A blue line marking the Neckline.
- Touch 1, Touch 2, and Touch 3 points where the price touches the Neckline.
- An arrow indicating the Support zone.
- An arrow pointing to the Stop loss.
- A vertical line indicating the Target.

The pattern is identified as a Triple Bottom.
